RAWLINGS TRIAL FINISHED.

One Negro Gets Death Sentence, the Other Life Imprisonment.

Valdosta, Ga., August 3.—Sentence of death was passed by Judge Mitchell on Alf Moore, convicted as one of the principals in the assassination of the Carter children. Frank Turner, who was convicted last night as accessory before the fact, was sentenced to the penitentiary for life.

Turner had appeared well satisfied with the verdict of the jury and received his sentence with a smile. Moore is to be executed September 15. The date set for the execution of J. G. Rawlings and his sons.

Solicitor General W. E. Thomas will probe to the bottom the charges made against the McDonalds in connection with the murder of the Carter children. The solicitor leaves tonight for a trip of a few days to north Georgia, and on his return will sift the matter thoroughly.

An indictment was drawn up by him against Tim and Jif McDonald at the beginning of the Rawlings, but the jury found that the evidence in their hands was not sufficient to warrant them in finding a true bill.

Public is Aroused.

The public is aroused to a knowledge of the curative merits of that great medicinal tonic, Electric Bitters, for sick stomach, liver and kidneys. Mary H. Walters of 546 St. Clair Ave., Columbus, O., writes: "For several months I was given up to die. I had fever and ague, my nerves were wrecked; I could not sleep, and my stomach was so weak, from useless doctors' drugs, that I could not eat. Soon after beginning to take Electric Bitters, I obtained relief, and in a short time I was entirely cured." Guaranteed at all drug stores; price 50c.

Victim of Suicide Compact.

Mrs. Busch is not in the city, but her husband and others who knew the young soldier, do not believe the young soldier committed suicide, but wrote the letter as a blind, so as to cover his disappearance from Menominee, Minn., where he was employed in the office of the Menominee Electric company.

The final outcome of the conference between the officials of the two roads which have been going on in this city for the past two days and which have come to a conclusion. Foley's Kidney Cure was recommended and the first bottle gave me great relief, and after taking the second bottle I was completely cured."

All Telegraphers and Dispatchers Leave Their Positions.

Helena, Mont., August 3.—Dispatches from Montana points indicate that the strike order was generally obeyed by the telegraphers on the Northern Pacific and Great Northern. All operators on the Montana Central except dispatchers, about 50 altogether, went out. Train No. 1 was brought into Missoula by hand car signals. The entire Rocky Mountain division of the Northern Pacific is reported to be tied up by the strike.
